

## Landlords Acceptance Criteria

Now that you've decided to become a landlord, there are a few things that will help smooth the transition into letting your home. The list might look long but you can rest assured that all of them have been put in place to make sure that you and your tenant are protected from the moment you hand over the key.

- We won't cover theft or vandalism caused by tenants unless references from a current employer, former landlord or guarantor, photo ID and credit checks are completed. This doesn't apply to tenants that are members of family.
