

Top reasons to work with LV= General Insurance

As one of the UK’s largest insurers, we’ve used our 180 years of experience to craft our Home insurance policies to perfection. All to make sure we can have your back, whilst you have your clients.

We know insurance is about more than just helping your clients feel protected. It’s also about building trust, service and letting them know we’ll be there for them if the time comes.

With a combination of our dedicated team, technical capability and our new and improved products, there’s lots of reasons why you should choose us. But to help you make that decision, we’ve collated **our top reasons why you and your client should say ‘yes’ to LV= GI.**

 <h3>Quick application process</h3> <p>With our quick 5 question application process, you can ensure that your client’s homes are covered and in good hands.</p>	 <h3>Time to think</h3> <p>Quotes last 180 days, giving them the time to ponder our protection.</p>	 <h3>12 months at 0% interest</h3> <p>Your clients can spread the cost of your cover over 12 months at 0% interest, making life a little easier.</p>
 <h3>Sprung a leak?</h3> <p>We offer up to £5,000 trace and access cover for Gold insurance and up to £10,000 with Platinum cover as standard on our policies.</p>	 <h3>A helping hand</h3> <p>To help reduce some of the stress of moving, we will give them 90 days buildings cover from exchange to completion.</p>	 <h3>Ready for the unexpected</h3> <p>With up to £1000 home emergency cover as standard, they’re protected with both Gold and Platinum cover.</p>
 <h3>Non disclosure risk</h3> <p>Clients no longer have to answer a lot of complex questions – which reduces the risk of non-disclosure, giving you greater peace of mind and potentially fewer claims declined.</p>	 <h3>Multi product discount</h3> <p>We’ll automatically apply a multi-product discount to your client’s policy if they have an existing LV= Motor, Landlord or Home insurance policy in place.*</p>	 <h3>Guaranteed Quote</h3> <p>The quote we give your client is guaranteed, providing they can agree to our usual assumptions.</p>
