

# What's in your bag?

Whether it's the daily commute or a weekend away, you might be surprised just how much you're carrying in your bag and how much it could cost if you need to replace it. Mobile, laptop, camera, headphones and more, it could end up costing you £1,000s.

That's why it makes sense to take out additional personal belongings cover with your LV= Home insurance policy. With up to £5,000 worth of cover per item, (or more if you need it), you can rest assured you're covered.

Speak to your Adviser to discuss how you can add personal belongings cover to your home insurance policy.
